Dark Matter: every traveler between worlds

Season 1 and Season 2, episodes 1–8. Solid line — the character stays in the same world between episodes. Dashed arrow — a jump through the Box; the number in the circle is that character's jump count. Upward arrow — a return to a world already visited in the same episode. Dotted line — whereabouts unknown. Each character and their lines are coloured by home world: green — World 1 (Jason-1, his copies Jason-13 and Jason-4, Ryan-1, Leighton-1, Daniela, Charlie), orange — World 2 (Jason-2, Amanda, Leighton-2, Blair-2), blue — Ryan-4's world. Jason-1, the main character, has thicker lines.

Jason-4 — a Jason-1 copy from the S1 finale crowd; S2E5 lead

Jason-13 — a Jason-1 copy, the double from the bar, in a hat; helps DARPA

Ryan-4 — a Ryan from another world; Jason-2 swapped him for Ryan-1

Jason-2 — creator of the Box, kidnapped Jason-1 and took his place

Ryan-1 — Jason-1's friend; Jason-2 left him in Utopia

Amanda — Velocity psychiatrist from World 2; with Jason-1 in S1

Jason-1 — main character, professor from World 1

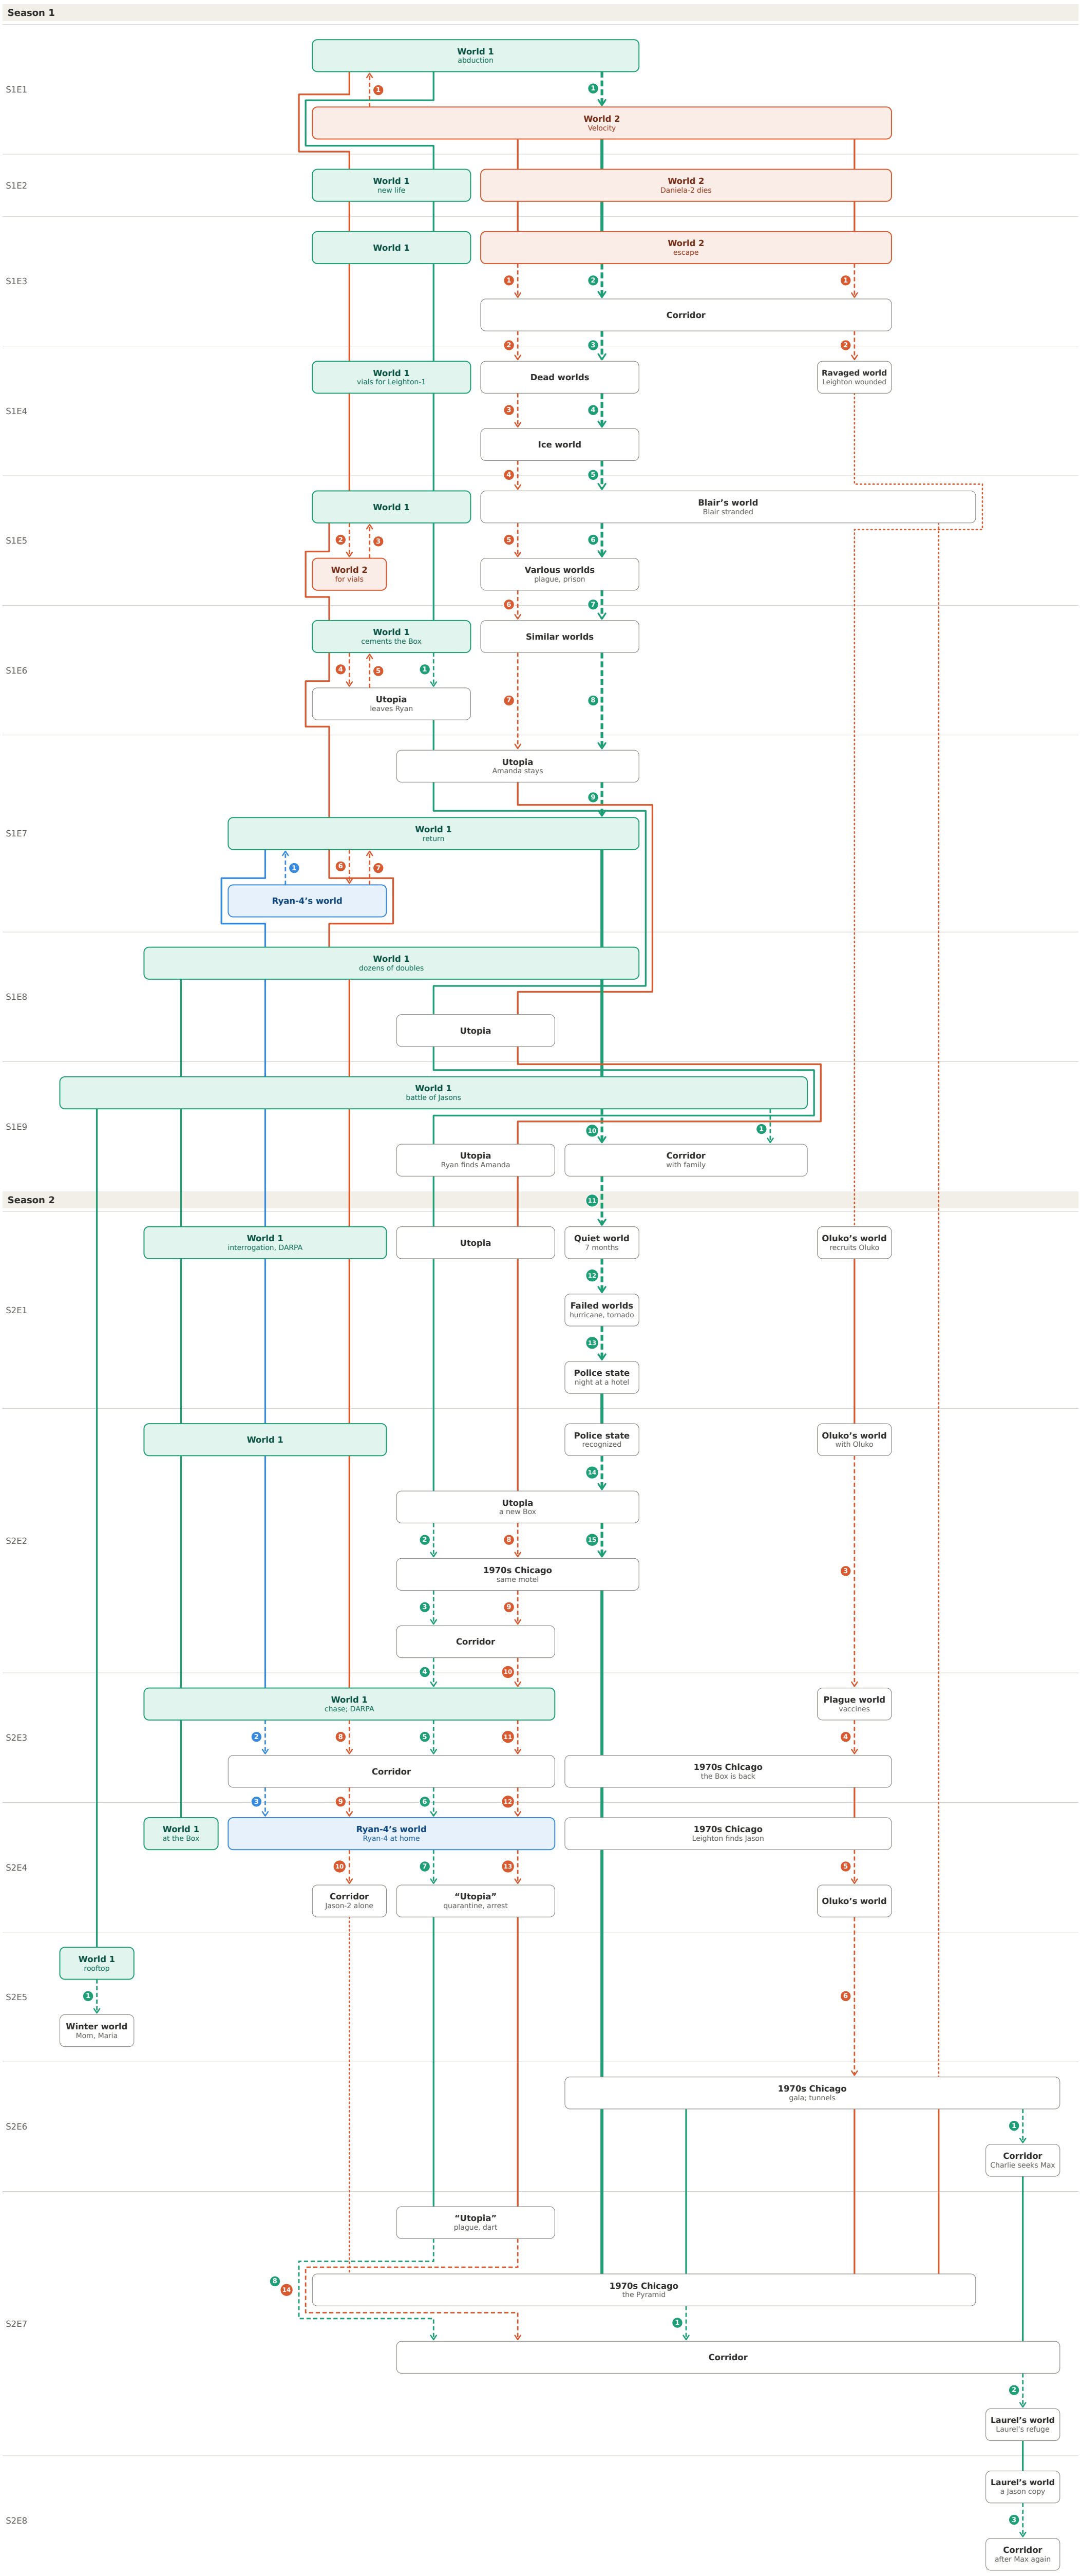
Daniela — Jason-1's wife; travels with him until S2E6

Leighton-1 — Leighton of World 1, bought vials from Jason-2; home until S1E9

Leighton-2 — head of Velocity from World 2; building a network of Leightons

Blair-2 — Velocity staffer from World 2; in S1 stranded in the creature world

Charlie — Jason-1's son; searching alone for brother Max



Routes of secondary characters are reconstructed from episode recaps and may be inaccurate. Source: opennotes.ru
